Description
A rich and warm fragrance built around oud, with soft amber and a hint of spice. Long-lasting and perfect for evenings and special occasions.
Size: 100 ml
Type: Eau de Parfum
Notes: Oud, Amber, Spice
Oud Royale opens with a bright touch of saffron and bergamot, then settles into a deep heart of oud wood and rose. The base is amber, vanilla and a little musk, which keeps the scent close to the skin for hours. It is made for evenings, weddings and special occasions.
Each 100 ml bottle is an Eau de Parfum with a concentration of about 18 percent, so two or three sprays are enough for a full day. Spray on pulse points such as the wrists and neck, and avoid rubbing the skin afterwards.
Top notes: saffron, bergamot, cardamom. Heart notes: oud wood, rose, cinnamon. Base notes: amber, vanilla, white musk, sandalwood.
Store the bottle in a cool, dry place away from direct sunlight. Heat and light slowly change the fragrance, so a drawer or a shelf inside a room is better than a bathroom or a car.

Delivery is available across Pakistan with cash on delivery. Orders above Rs. 5,000 ship free. Every bottle is 100 percent original and sealed in its box.
Longevity: 8 to 10 hours on skin and more than a day on clothes. Sillage: moderate to strong in the first two hours, then soft and close.
Best seasons: autumn and winter, although it also works on cool summer evenings. For a lighter day wear, spray once on the wrists only.
